STUDIO PIET BOON

Amsterdam-based Studio Piet Boon is a globally operating design studio specialized in total concepts. Recognized for a remarkable talent of balancing functionality, aesthetics and individuality into one of a kind architecture, interior and product design experiences.

The international team designs acclaimed private homes, residential & corporate developments, hospitality venues and a collection of products. Studio Piet Boon has been founded in 1983 by Piet Boon and Karin Meyn.

LIVING

We pride ourselves in timeless design, employing durable materials to tell beautiful stories. Material selection, color and surface, harmonize to deliver a wonderful multi-sensorial experience time and again.

Each Piet Boon living collection piece has been specially designed to fit any lifestyle and complement the interior of any home. Mindfully crafted, the collection delivers unparalleled timeless quality and elegance, expressing quiet confidence and bringing comfortable luxury living to your home.

DINING

The dining room is one of our favorite spaces. It is a place where family and friends gather. A place where memories are made.

Each Piet Boon dining collection piece conveys our love for rich and natural materials, generous proportions, typical shape and eye for extraordinary detail. The entire line is designed to enrich and complement your dining space by adding a strong sense of elegance and sophistication to any luxury interior; creating memories for years to come.

OUTDOOR

Our passion for extending luxury indoor living to outdoor spaces comes to life in the Piet Boon outdoor collection. Bringing understated luxury to any outdoor space, the monumental outdoor furniture collection enables the same comfortable living experience as indoors.

Each monumentally shaped piece invites one to sit, relax, unwind or soak up the sun. Thoughtfully crafted with natural and robust materials that stand the test of time, the outdoor collection is strong, resilient and matures with age.
